Product Over View

- Made up of stainless Steel 304 Grade
- Generate Ultra Fine & Non Wetting Aerosols
- Compatible with all leading disinfectant solutions
- Can be used for both water & Oil based liquids
- High speed FHP motor for maximum thrust
- Flow control knob to adjust particle size
- Wide area coverage (>16000 cuft)
- Available in two options mechanical timer & digital timer
- Superior quality silicon tubing
- User friendly & maintenance free
- Portable & easy to handle
